The purpose of this TMD is to describe the class of customers for which the products described in the PDSs have been designed, having regard to the likely needs, objectives and financial situation of that class of customers. Examples used in this TMD are illustrative only, and are not intended to be exhaustive.

This TMD is not intended to provide any financial product advice, and does not consider any individual customer's personal needs, objectives or financial situation.

This TMD does not replace the terms and conditions, and disclosures made, in the PDSs. A customer should refer to the applicable PDS before making a decision about a product.

A customer may fall within the target market described in this TMD, but may not meet the Issuer's underwriting criteria on application.
